

**UNLOCK
THE POTENTIAL
OF YOUR
IDEAS.**

ONLY ONE BACK OFFICE, UNLIMITED CUSTOMIZATION.

THE MOST SOLID FLEXIBILITY IN SPORTSBOOK SOFTWARE.

The ultimate Sports Betting Platform:
it lets the bookmaker manage all the business
within the same back office.

Liability, performance, automation, centralization are iSBets'
features whom every bookmaker can count on.

Above all, customization is the key point of our software:
iSBets combines a rock solid architecture with a extraordinary flexibility
to swiftly and deeply adapt to every manager, no matter
what his or her market, business style, methods or procedures are.

FULLY FEATURED.

The full set of features of iSBets delivers
an unlimited, multichannel, automated pre-match
and in-game offering, full control of liability in realtime,
online and retail customer management,
and centralized reporting tool.
