

**THE MOST
ADVANCED
REPORTING TOOL
ON THE
BOOKMAKING
MARKET.**

CUSTOMIZED DASHBOARDS FOR THE STRATEGIC DECISIONS.

ADVANCED REPORTING TOOL.

The most advanced and complete software to organize and view all data collected over years of sustained bookmaking activity. iStrategy's personalized dashboards allow managers to make fully informed and secure decisions.

BIG DATA.

With the support of iStrategy, it has become possible to combine numbers and information from many different areas of business, displaying extensive time periods and large quantities of records within a short processing time.

The synthetic analysis of the past opens the doors to every bookmaker's next business success.
