# KEY FEATURES

The word "EAGLE" is written in a bold, orange, 3D-style font with a white outline. It is positioned in the upper right quadrant of the page, set against a background of a lush, green landscape with a large waterfall and a bald eagle with its wings spread wide, flying towards the right. The scene is illuminated by a bright sun or moon in the sky.

## 1. EFFORTLESS INTEGRATION

**Easy** and **quick** to integrate using the same APIs as the most widely adopted game, allowing you to launch in less than 24 hours with minimal effort.

## 2. CUSTOMIZABLE ANIMATION AND RTP

**Customize** the game by replacing the eagle with any other visual element and **choose** the RTP, **tailoring** it to your brand.

## 3. INSTANT RESULTS

**Instant** results boost player **retention**, keeping your users **engaged** and coming back for more.

## 4. FULLY COMPATIBLE

Optimized for **mobile**, but ensures flawless performance on all devices.

## 5. FREEBETS ENABLED

**Engage** users with freebets, increasing **excitement** and fostering player **retention**.
